 - Establish clear expectations for the way members of the school community engage with each other online
 - Support the school's policies on data protection, online safety and safeguarding
- Staff, students and parents/carers are required to read, understand and comply with this social media policy.

This policy applies to the use of social media for both business and personal purposes, whether during school/working hours or otherwise.

It applies regardless of whether social media is accessed using:

All members of the school should bear in mind that information they share through social networking applications, even if they are in private spaces, may be subject to copyright, safeguarding and data protection legislation. Everyone must also operate in

line with the school's equalities, harassment, child protection, safer recruitment, and online safety and ICT acceptable use policies.

Definition of social media

For the purposes of this document, 'social media' is considered to include all technologies that allow individuals to communicate and share information (including photos and video). This includes group messaging services such as WhatsApp.

Use of official school social media

The school has its own social media channels.

These accounts are managed in house. Staff members who have not been authorised by SLT to manage, or post to, the account, must not access, or attempt to access, these accounts.

If you have suggestions for something you'd like to appear on our school social media channel(s), please speak to Sara Llewellyn.

Facebook

The school will post on Facebook:

- Alerts about changes (e.g. changes to procedures, severe weather updates, staffing changes)
- Reminders (e.g. approaching deadlines, events or class activities, reminders about policies/procedures)
- Advertisements for school events or activities
- Job vacancies or requests for volunteers
- Links to newsletters, guidance and factsheets for parents and carers
- Achievements of pupils and staff
- Photos or posts about school trips, events and activities
- Seasonal greetings and messages about religious festivals

- Invitations to provide feedback

The school **will not** post on Facebook:

Staff responsible for our social media accounts will delete as soon as reasonably possible:

- Abusive, racist, sexist, homophobic or inflammatory comments
- Comments we consider to be spam
- Personal information, such as telephone numbers, address details, etc.
- Posts that advertise commercial activity or ask for donations
- Every reasonable effort will be taken to politely address concerns or behaviour of individual users, following the school's complaints policy. If users are repeatedly abusive or inappropriate, they will be blocked.
- Staff responsible for our social media accounts will also ensure that all content shared on social media platforms is age appropriate for the school community.

Following other social media users

The school:

- Will only 'like' Facebook pages with a non-commercial interest - being 'liked' by us doesn't imply endorsement of any kind
- May follow other users if you follow us on X (formerly Twitter) - being followed by us doesn't imply endorsement of any kind

Personal use of social media by staff

Monitoring

We reserve the right to monitor, intercept and review, without further notice, staff activities using our IT resources and communications systems, including but not limited to social media postings and activities, for legitimate business purposes. This includes ascertaining and demonstrating that expected standards are being met by those using the systems, and for the detection and investigation of unauthorised use of the systems (including where this is necessary to prevent or detect crime).

The school leader will monitor the implementation of this policy, including making sure that it is updated to reflect the needs and circumstances of the school.

This policy will be reviewed every year.
